

# Summer Camp 2010

**June 27 — July 03**

This summer Troop 123 is attending summer camp at Woodland Trails Scout Reservation, near Eaton, OH. We will be leaving on Sunday, June 27<sup>th</sup>, by about 11:00 am. and returning on Saturday, July 3<sup>rd</sup>, by about Noon. Summer camp is always the highlight of the Scout's year, and this camp a new camp for us, but I have heard good things about it. Below is the cost and the payment schedule for this year's summer camp. Please pay us on time, so that we can pay the camp on time.

There is only one program at Summer Camp, this year, base camp. If your Scout is First Class or above and 14 years old or older, there are some extra high adventure activities he can do at camp. There is also a program designed for first year Scouts, the Kit Cricket Adventure.
