We also welcome you to visit our Troop throughout the year.

We hope that you will choose our Troop when you cross over this school year. On our website, www.troop123.org, you will find that we have a very exciting and active program. In addition to camping every month, we also have a summer trip and a summer camp that are scheduled every year. The summer camp also includes a "High Adventure" portion for those scouts who are 14 years and older.

Sincerely,
